IQAC Co-ordinator

Organizing Secretary

Dr. Ashvini Patil

Assistant Professor &
Head of the Dept. of Sociology

Dr. Rajeshwari Shettar

Principal & Head of the
Dept. of Commerce

OVERVIEW OF THE SEMINAR:

Women empowerment is essential for achieving social justice but women and girls are often subjected to discrimination, violence and other forms of oppression simply because of their gender. Empowering women helps to create a more just and equitable society for everyone. In current society, women empowerment is not just limited to the social, economic, political arena but it also includes empowerment in digital world. Women are less accessible to the technology when compared to men. There is digital divide in the society. They are not aware of using technology in diverse fields. Hence, the cyber crime incidents are found more in the society and women with lack of awareness are becoming victim of it.

Several studies have shown that the participation of women is less in science, technology, engineering and mathematics (STEM). However, the utilization of concrete practice is inspiring to promote gender equality in workplace. Diversity in the STEM field is an integral part to the success of an organization. According to the *Global Gender Gap Report of 2023*, currently there are only 30 per cent women working in AI. By harnessing AI tools and platforms, individuals including women, can access new learning opportunities and skill development programs, thereby, enhancing their employability and adaptability in the evolving job market. AI acts as a powerful catalyst for change in addressing gender disparities in skill development.

The upcoming seminar will be addressing some of these women issues pertaining to artificial intelligence. The multidisciplinary seminar will highlight the use of AI in diverse fields of society like social, economic, higher education, legal, health, computer science and engineering. Resource persons from varied specialization and expertise will be empowering our target group through their deliberations on AI.

One day Multi-disciplinary National Seminar will be organized in association with **Research Committee-13 on Science, Technology and Society of Indian Sociological Association, New Delhi** and **The Karnataka Sociology Association (KSA)**.

ABOUT THE INSTITUTION:

Shri Hurakadli Ajja Shikshana Samiti is one of the famous and non-profit educational organizations in Dharwad. It has been established in the year 1986 to cater to the educational needs of women at large. It also aims for the upliftment of rural women, which was the ardent desire of the founder president of Shri Hurakadli Ajja Shikshana Samiti, Dharwad. He was a great saint, a devotee of Goddess 'Bagalamba' who strongly believed in the empowerment of women. This samiti is the best example of evidencing Shri Hurakadli Ajja's passion for educating the girl's at large in Dharwad. The Samiti is providing a holistic model of success for girl students coming from different social, economic and religious backgrounds. It seeks to impart quality education with a vision to empower and enrich every girl student. The members of the Samiti encourage the students to excel in academic as well as co-curricular activities with the constant support and encouragement of sincere and enduring staff. Vision of the institution is '*Jnanada Baladinda Ajnanada Kedu*' and the Mission is *Empower the Woman Strengthen the Nation*.

The college is affiliated to Karnataka State Akkamahadevi Women's University, Vijayapura. It is accredited at B++ Grade by NAAC in 3rd Cycle with a CGPA of 2.79. It was earlier holding the status of 'college with potential for excellence'. It has 2f, 12B status. It offers B.A and B.Com courses. It intends to focus on effective teaching learning process. Two students bagged university ranks in 2022-23 and the overall passing percentage of the college is above 97 percent. Students were encouraged to take up higher education by providing good training by organizing fruitful programmes like special lectures, workshops, certificate courses, Inter-Collegiate events etc. Students shows tremendous performance in sports at university level and national level. College got 5 university blues for the academic year in athletics, and other sport activities and are well trained in taekwondo for self-defense and yoga. Faculty members were encouraged to take up research activities and publications. They have also published books, Research articles and made significant contributions in their respective fields.

ABOUT THE SOCIOLOGY DEPARTMENT

The Department of Sociology started with the establishment of the college in the year 1986, it is set up at our college to impart and enhance the knowledge about the present society and the community in which we live. The Department was headed by Dr. Veena Sankangoudar and she retired as Principal in the year 2007. The Department strives to encourage students to greater awareness and understanding of social issues and to impart knowledge to students about society from a sociological perspective. The department endeavors to impart holistic education to students by creating awareness of social responsibility and community development. The department has organized various certificate courses, workshops, special lectures and conducted outreach and extension activities successfully.

CALL FOR RESEARCH PAPERS

It gives us a great pleasure to invite you all to the National Seminar. We invite Academicians, Research Scholars, Students and Professionals to participate and present their papers which are original research papers in the Seminar. We look forward to welcome you for the Seminar.
